
Name _________________________  Date ______________

**Should vs. Would Rather Exercise**

**Directions:** Look at the two listed activities. Create a compound sentence where you state what you should do and what you would rather do.

For example: visit my grandmother/go out with my friends
*I should visit my grandmother, but I would rather go out with my friends.*

1. see a movie/do my laundry
2. clean the bathroom/call my best friend
3. work in my garden/pay bills
4. take my daughter to the zoo/cook dinner
5. eat dinner at home/go to a restaurant
6. get to work on time/take a nap and go in late
7. travel to Hawaii/go to Disneyland
8. finish my project/read a magazine
9. pack my boxes to move/hire a moving company
10. buy a dog/save my money.

Write your sentences...

1. __________________________________________
2. __________________________________________
3. __________________________________________
4. __________________________________________
5. __________________________________________
6. __________________________________________
7. __________________________________________
8. __________________________________________
9. __________________________________________
10. _________________________________________
