**Worksheet 32A ERROR ANALYSIS (Lower level)**

1. My brother doesn’t like coconut. Can you believe it? I never met anyone else in my life who felt this way. It seems very strange to me. What is there about coconut that he doesn’t like? It seems very inoffensive to me. Perhaps he says he doesn’t like it in order to get attention. When he refuses to eat a coconut cookie or cake with coconut frosting, he gets a lot of attention and people try to figure out why he dislikes it so much. Of course, my brother always denies this, but I think that is the real reason.
2. When I first moved here 10 years ago, it got cold in December and January. In fact, the first two years, we had a freeze which killed all of my outdoor plants. As a result, I decided not to try to grow anything else. Now, however, it stays pretty warm all winter. In fact, just the other day I wore/was wearing shorts and a T-shirt. The sun was shining, and I felt as if it were summer! I couldn’t resist calling my family and friends back home to brag about the good weather here.
3. Last week my brother-in-law took me to the desert about 45 minutes away, and we stayed there a couple of days. One of the reasons why we went there was to shoot rifles just for fun. He set up some cans and bottles for targets and shot at them. He also let me shoot his rifle. It was the first time I shot a gun, and I felt very scared. Even though I can see how much he enjoys target practice, I think gun ownership should be limited.

**Worksheet 32B ERROR ANALYSIS (Higher level)**

1. I first learned about this English program from a teacher at my school back home. I was surprised that it wasn’t my English teacher, but rather my history teacher. He had attended this program when he was a university student. He told me how good this school was and what an interesting city this was. However, he warned me that he had been a student here many years ago and that sometimes things change. I have noticed some changes, but basically, I have found this to be a good program with friendly teachers. I also enjoy living in this city.
2. One of the most important decisions in life is deciding on a job. I first came to this country without knowing any English. Therefore, I had a hard time finding a job. I applied everywhere, but no one called me for a job. For that reason, I attended college and took some classes that helped me to have a good career. Now I have almost gotten my AA degree. After I had attended college for one year, I applied at a shoe store, and they hired me right away. My plan is to transfer to the university; after that, I can easily find a better job.
3. My son has become a “snackaholic.” There was a time when he ate three big meals a day. Now, he only wants to snack. Popcorn, cookies, candy, soft drinks: these are his favorite foods. He seems to want to eat constantly, but only sweets or chips. What has happened to my good little eater? Could it be that he is following the example of his parents? I guess we better look at our own eating habits!

A. Clothes can tell a lot about a person, but we can’t judge a person by the clothes he/she wears. In my country, a lot of people judge a person by what name brand of clothes he/she wears. A lot of times, people talk about what clothes their friends wear or say some people wear inappropriate clothes to high school.

B. Now I’m in California where it is warm all through the year and where there are many beautiful beaches. When you take a walk on the beach, you see people wearing baggy clothes—at least two sizes larger than what they should be wearing. These people are surfers. Personally, I believe that the reason surfers wear baggy clothes is they always have wetsuits in order to be ready for waves.

C. We have some important decisions to make in our lives. We can’t run away from them and we need to choose what is best for us. The three most important decisions for me are where to study, choice of job, and who to marry. All of them are important, but perhaps marriage is the most important one. We have to choose whether we will marry or not. If we don’t marry, it means that we will not have a family—including our own children. The decision about who we’ll marry is difficult to make also. In conclusion, we can’t predict what will happen and how our lives will be influenced by those decisions, but we have to decide even if it turns out bad.

D. There are a lot of important things in a lifetime. The most important thing for a young person is to get a good education. A good education helps you to get a good job later on. You need a good job to earn enough money to live comfortably. It is not as important to have a really high-paying job as it is to be happy in your choice of occupation. Also, everyone needs to settle down by having a family because it is important in order for civilization to continue. However, being happy with oneself is truly the most important thing in life.

A GROUP OF FRIENDS

I have a friend named John who is a student. John has two brothers. His older brother, Tad, now lives in San Francisco. It is a beautiful city, as you know. I met them (the two brothers) when we were all working at the mall after school. John and Tad’s younger brother, Paul, lives in Austin, Texas. He is a swinging, single guy with two girlfriends. One girlfriend is a singer, and she sings every night with her twin sister. The other girlfriend lives in an apartment with her pet dog. It is a huge German shepherd. This dog likes to go camping with them, so they take it with them every chance they get. It is pretty much a “people” dog. By that, I mean it doesn’t like to be left alone. Now that you know a little bit about John, his two brothers, and me, read on to find out more about us.

NUISANCE

Once upon a time, there was a tomcat named Nuisance. He/It lived with a wonderful woman named Lisa, but for some reason, he/it seemed to like everyone but her. The harder Lisa tried to please him/it, the more Nuisance thought of things he/it could do to annoy her. One day Lisa’s friend brought over a beautiful hanging plant. She/they hung it in her bedroom window. Then the two friends went out to dinner. When they returned, they found the plant on the floor. “What happened to it?” asked her friend, but Lisa knew and you do too, don’t you? That Nuisance! Another time, he/it ran away and was gone for three months. Lisa asked the people in the apartment building to help search for him/it. They all agreed to help, but no one found Nuisance. Just when she/they had given up hope, he/it turned up. Nuisance spent his/its whole life doing things like this to Lisa, but she always forgave him/it.

Worksheet 70 REVIEWS
A Walk in the Clouds is an interesting/exciting movie starring Keanu Reeves. The movie takes place after World War II in the wine country of California. The characters are surrounded by the beautiful scenery. Keanu’s character is married to a woman he met right before going overseas. They don’t really know each other, nor are they interested in the same things. He is a traveling salesman, and on his first trip after returning home he meets a confusing/fascinating woman on the train. Every time he runs into her, he gets into trouble. She is embarrassed to have caused him so many problems, but he notices that she is very frightened/depressed, and finally she tells him that she is pregnant and unmarried. This is an especially humiliating position to be in at this time because her parents are very strict and will be shocked by this news. She is very depressed and doesn’t know what to do. Keanu’s character offers to pose as her husband who will then have a fight with her and leave the confused/humiliated woman. Her family, however, will believe she is married and that the husband is a disgusting person. They will feel sorry for her. Before the two can carry out this somewhat confusing plan, they start to really fall in love. Watch the movie to find out the exciting ending!

She’ll be coming round the mountain,
She’ll be coming round the mountain when she comes.

She’ll be driving six white horses when she comes.
She’ll be driving six white horses when she comes.
She’ll be driving six white horses,
She’ll be driving six white horses when she comes.

Oh, we’ll all go out to meet her when she comes.
Oh, we’ll all go out to meet her when she comes.
Oh, we’ll all go out to meet her,
Oh, we’ll all go out to meet her when she comes.

Worksheet 47A  Songs

“He Stopped Loving Her Today”

He said, “I’ll love you ‘till I die.”
She told him, “You’ll forget in time.”

As the years went slowly by,
She still preyed upon his mind.

He kept her picture on his wall
And went half crazy now and then;
But he still loved her through it all,
Hoping she’d come back again.

Kept some letters by his bed,
Dated nineteen-sixty-two;
He had underlined in red
Every single “I love you.”

I went to see him just today.
Oh but I didn’t see no tears.
All dressed up to go ‘way.
First time I’d seen him smile in years.

REFRAIN

He stopped loving her today.
They placed a wreath upon his door.
And soon they’ll carry him away,
He stopped loving her today.

You know, she came to see him one last time,
Oh, and we all wondered if she would.
And it kept running through my mind
This time, he’s over her for good.

**“The Erie Canal”**

I’ve got a mule, **her** name is Sal,  
Fifteen miles on the Erie Canal.  
**She**’s a good ol’ worker and a good ol’ pal,  
Fifteen miles on the Erie Canal.  
We’ve hauled some barges in our day,  
Filled with lumber, coal and hay.  
And we know every inch of the way  
From Albany to Buffalo.

**REFRAIN**
Low bridge, everybody down!  
Low bridge, for we’re coming to a town!  
And you’ll always know your neighbor,  
You’ll always know your pal,  
If you’ve ever navigated on the Erie Canal.

We better get along on our way, ol’ gal,  
Fifteen miles on the Erie Canal.  
‘Cause you bet your life  
I’d never part with Sal,  
Fifteen miles on the Erie Canal.

Get up there, mule, here comes a lock  
We’ll make Rome about six o’clock,  
One more trip and back we’ll go,  
Right back home to Buffalo.

**SONGS**

**“Red River Valley”**

From this valley they say you are going,  
We will miss your bright eyes and sweet smile,  
For they say you are taking the sunshine,  
That brightens our pathway awhile.

**REFRAIN**
Come and sit by my side if you love me,  
Do not hasten to bid me adieu,  
But remember the Red River Valley  
And the girl that has loved you so true.

Won’t you think of the valley you’re leaving?  
Oh, how lonely, how sad it will be,  
Oh think of the fond heart you’re breaking,  
And the grief you are causing me.

**REFRAIN**
From this valley they say you are going,  
When you go, may your darling go, too?  
Would you leave her behind unprotected?  
When she loves no other but you?

REFRAIN  
I have promised you, darling, that never  
Will a word from my lips cause you pain;  
And my life, it will be yours forever  
If you only will love me again.

Worksheet 94   SONG

“Amie”

I can see why you think you belong to me;  
I never tried to make you think or let you see  
One thing for yourself.  
But now you’re off with someone else and I’m alone.  
You see, I thought that I might keep you for my own.

REPEAT  
Amie, what ’choo wanna do?  
I think I could stay with you  
For awhile, maybe longer, if I do.  
Don’t you think the time was right for us to find  
All them things we thought weren’t proper  
Could be right in time.  
And, can you see  
Which way we should turn together or alone.  
I can’t never tell what’s right or what is wrong.  
(It’d take too long to see)

REPEAT  
Well, now it’s come to what you want; you’ve had your way.  
And all the things you thought before just faded into gray.  
And can you see  
A-That I don’t know if it’s you or if it’s me.  
If it’s one of us, I’m sure we both will see  
(Oh, won’t you look at me and tell me)

REPEAT  
I just keep falling in and out of love with you,  
Falling in and out of love with you,  
Don’t know what I’m gonna do.  
I keep falling in and out of love with you.
