Simple Present & Present Progressive

**Directions:** Fill in the lines of the story with the simple present tense or the present progressive tense.

This is my friend Sherri. She (go) _______ to my school. We are classmates. She (smile) ________________ in her picture. She is a very happy person. She (smile) ________________ all the time. She likes sports. On the weekend, she always (play) ________________ soccer or tennis. Today is Saturday, so I know that she (play) ________________ tennis right now. In school, we (work) ________________ on our science project. Sherri (work) ________________ really hard! She is an “A” student. Sherri is not only good in science, but in her other classes, too. For example, she always (practice) ________________ speaking French. She (speak) ____________ French very well. Do you (speak) another language? I am lucky to have a friend like Sherri.
